### Standard 1-Shared Vision

GOAL: Continue to engage in a districtwide communication plan to increase community engagement and advocacy for the district.

- Refresh the district website to more accurately reflect events and information.
- Emphasize that goal development for students, staff and administrators focus on the areas of academics, careers, and social/emotional needs.
- Emphasize the district's mission statement and the importance each stakeholder has in the successful attainment of this goal.

### Standard 2- Culture of Learning

GOAL: Promote academic growth for every student by advocating, nurturing and sustaining a school culture and instructional program conducive to student learning.

- Emphasize professional development opportunities in the areas of mathematics and science in order to meet the needs of staff and students.
- Increase the number of classroom visits and walkthroughs.
- Maintain high academic expectations for students and staff members.

### Standard 3- Decision Making

GOAL: Ensure that decisions are being made with the most accurate information in a manner that is appropriate to the situation and consistently in the best interests of students.

- Provide professional development opportunities that meet academic and social/emotional needs of the students.
- Ensuring that each decision can answer the question of "will this help students and staff members achieve district goals" affirmatively.

### Standard 4-Management

GOAL: Maintain fiscal responsibility while ensuring the needs of the district are being met.

- Provide a smooth transition for the new staff members in the business department.
- Establish short and long-term goals for the business department.
- Plan for upcoming staff openings and budgetary constraints.

### Standard 5- Family and Community

GOAL: Foster the collaboration of a strong school and family relationship in order to emphasize the importance of all stakeholders becoming involved in the educational process.

- Increase attendance at school and community events.
- Strengthen existing community partnerships and develop new ones to promote the district's mission.
