

Free meals

The Moniteau School District participates in the Community Eligibility Program (CEP). This means that every student that is enrolled in the district (in the buildings), not cyber school or Homeschooling will receive 1 free breakfast and 1 free lunch every school day throughout the school year.

If a student wishes to purchase extra food or snacks they may purchase them if they have money in their lunch account. You may add money to the student's account by sending in a check or cash in an envelope with the child's name and grade on the front to the Food Service Department.

You may also check your child's account and add money online via School Cafe. You can access this site by going to the Moniteau website, Food Service page, on the left scroll down to the School Cafe link. you will be instructed on how to check your students account and how to add money.

This site is not run by the District and does charge a small fee for transactions.

If you have any questions, please feel free to contact our department.

Thank you!

Carrie Plecher
Director of Food Services
Moniteau School District
