

Grand Piano Restoration Fund

The 54 year old grand piano at Moniteau Jr./Sr. High School is undergoing some significant repairs in order to make it usable again.

This project will enable the music department to host large events and hold unique musical assemblies.

Blackwood Arts has graciously agreed to match any donations received, up to \$3,000 to assist in completing this project.

Anyone willing to donate money to the repair of the grand piano can make a check payable to Moniteau School District with “Piano Repair” written in the subject line.

Donations can be delivered to the high school office or the administration office.
