Standard 1-Shared Vision

GOAL: Develop and implement a districtwide communication plan to increase community engagement and advocacy for the district.

- Communicate the comprehensive plan goals to all district stakeholders.
- Emphasize that goals for students, staff and administrators should be connected to, and support, the district's comprehensive plan.
- Continue to establish the importance of the district's mission statement and how the comprehensive plan fosters the promotion of the mission.

Standard 2- Culture of Learning

GOAL: Promote academic growth for every student by advocating, nurturing and sustaining a school culture and instructional program conducive to student learning.

- Recognize and celebrate the accomplishments of students and staff.
- Monitor and evaluate the new math resource in grades K-8.
- Continue to be visible in all buildings, classrooms, and at activities.

Standard 3- Decision Making

GOAL: Continuing to ensure that decisions are being made with the best information available in a timely manner that is appropriate to the situation and consistently in the best interests of students.

- Frequent meetings, both formally and informally, with all administrators to ascertain needs of students, as well as needs of the system.
- Meetings with represented bargaining groups to ensure needs are being met.

Standard 4-Management

GOAL: Maintain fiscal responsibility while ensuring the needs of the district are being met.

- Oversee budget development process.
- Establish short and long term plans for budget shortfall upon the depletion of ESSER funds.
- Ensure federal and state funds (grants) are being used in the most efficient and effective manner as possible to benefit the students and the district.

Standard 5- Family and Community

GOAL: Foster the collaboration of a strong school and family relationship in order to emphasize the importance of all stakeholders becoming involved in the educational process.

- Promote district by utilizing multiple media platforms (newsletters, facebook, twitter, website, etc...).
- Encourage an environment that leverages community based learning.
 - Not all learning happens in the classroom.
 - Everyone has a role in a child's learning.
- Be visible in both buildings as well as at community events.
