

# Did You Know?

## Hot

## Sweet

There are almost 2,000 different varieties of peppers. They are usually classified into two groups: hot (chili) and sweet peppers.

Developed by the Pennsylvania Department of Education and Penn State University (Project PA).

This project has been funded at least in part with Federal funds from the U.S. Department of Agriculture. The contents of this publication do not necessarily reflect the view or policies of the U.S. Department of Agriculture, nor does mention of trade names, commercial products, or organization imply endorsement by the U.S. Government.
